Councilmember Liss stated the following:

- the MAC's currently advise the Board of Supervisors on these issues and have been struggling with development projects under their jurisdictions
- we should get input from the MAC's on, "are they feeling like they are being well represented" or "would they like to see a sphere of influence extended by Loomis"

- he and his neighbors have been participating in the Blue Bag recycling program and he would like to see more marketing on this

A new Town Manager was brought on board and at the December 13, 2011 Council meeting a new Mayor will be seated. These actions provide the Council a unique opportunity to hold a facilitated team building workshop to assist in developing a unified Council/Town Manager that are clear in our purpose, mission and roles.

Recommended action: The Council has the following options: 1) review the submitted proposals and, if appropriate, select two consultants to be interviewed by the Council at a future Special Council meeting where a selection can be made; 2) review the submitted proposals and select a consultant and authorize the Town Manager to enter into a Professional Services Agreement in a "not to exceed" amount and, schedule a Special Town Council meeting date to hold the half day workshop; or 3) discuss and determine that the need for a Team Building Workshop is not warranted at this time and table the issue.
